NEET NAVIGATOR 

## MEDICAL ADMISSION COUNSELLING

Medical admissions in India are regulated through medical admission counselling. Medical admission counselling is a centralized, common, online process of seat allotment to eligible applicants on basis of domicile, category, quota and NEET AIR.

Medical admission counselling is essential to navigate the complex NEET admission process, ensuring that a student's rank is used strategically to secure the best possible medical seat, avoid critical errors, and protect long-term academic and career outcomes.

## NEET NAVIGATOR

NEET Navigator is a pioneer in advanced data analytics-based, ethical, and most authentic medical admission counselling guidance services. NEET Navigator offers medical admission counselling guidance services for all medical colleges of India. NEET Navigator ensures that a student gets admission in THE BEST Medical College possible on his/her NEET UG Rank.

Speechless. I just can't describe the ups and down of journey but you always motivated us and always focused on three p's and we kept our faith in you Rakesh sir. Now the result of faith is this that the college which we were not expecting is all ours. Hats off sir. My honest opinion that perhaps no one can guide better than you sir. Again thanks from bottom of my heart.
